

Skincare Tips For Glowing Skin | Bombshellwhims.com

Summer Glowing Recommendations

So, get ready to glow with the best Summer glowing recommendations that will keep you looking tan well past the Summer season.

Whenever you're using any type of self-tanner; be sure to exfoliate. When you exfoliate, you're getting rid of dead skin cells. Whether you have spots you're trying to get rid of and don't want your skin to feel rough; this exfoliator will eliminate any dead skin cells.

Another great product that will leave your skin looking so tan that people will wonder where you vacationed. From Chantecaille, this bronzer and highlighter will leave your skin looking natural.

Another great product that is ideal for all skin tones is the Sun Dipped Glow Kit from Anastasia.
